

Hi Everyone,

Over the summer I developed a new recipe for quinoa. Actually I combined two recipes I had and then added corn and black beans. One of my friends agreed to be my guinea pig and then I fed my sister and her husband. The verdict was that it turned out terrific.

I'm writing about my new quinoa salad recipe because it reminds me of something new coming here at the credit union, our new website. Sometime later this year you'll see a new look to our website. A sample of the homepage is on the back of this newsletter. Over time we will begin to add depth to the website by providing more financial education. It never ceases to amaze me how little is known by so many about the world of personal finance. And yet it's such an integral part of our lives every day.

So be on the lookout for our new website. Our goal is to provide you with the knowledge and tools you'll need for a safe, sound financial future.

Till Next Time,

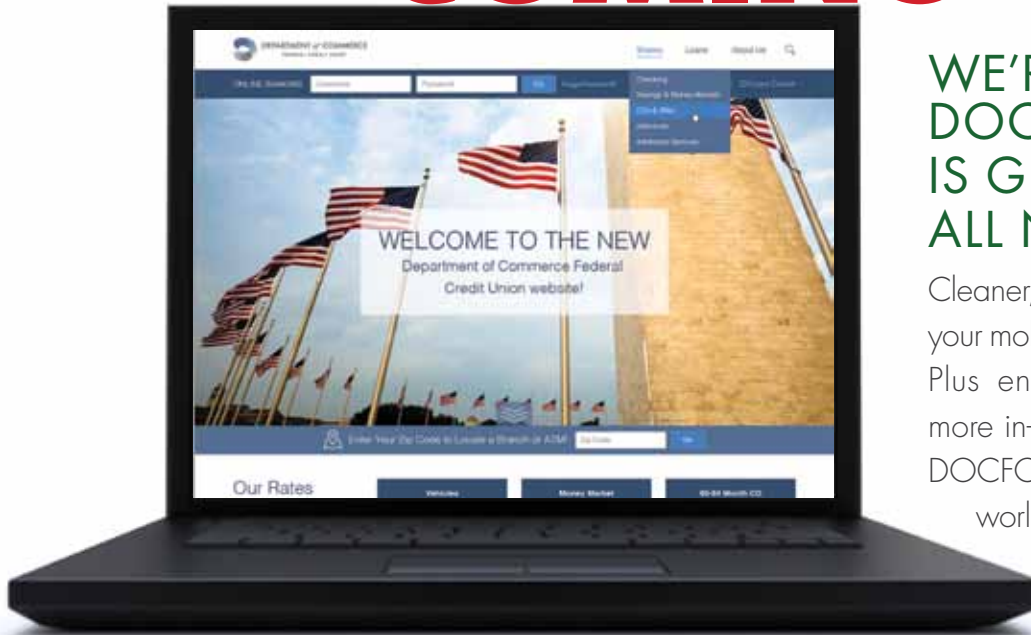

Evan Clark
