

Hi Everyone,

This month I'm going to cut right to the chase because there's some information that everyone needs to know. White House Federal Credit Union is merging into Department of Commerce Federal Credit Union. The merger is scheduled to be complete by April 1st, 2016. What does that mean for the members of DOCFCU?

First of all, if you need access to a branch of DOCFCU and you're downtown starting April 1st, you'll be able to do business at the White House CU branch at 1724 F St NW, Washington,

DC 20505. It's easy to go to this branch. You don't have to go through security. If you've visited the Commerce building lately you know that there's a major renovation going on at the building. That much needed renovation has made getting to the HCHB branch of the credit union difficult, at best, for members coming from the outside. Having access to the White House CU branch will be so much easier for members. Starting April 1st stop by the White House CU branch and you'll see what I mean.

The second benefit for DOCFCU members is that there will be more staff to help you with your financial services needs. You'll meet the White House CU staff when you go to that branch and you'll see the same friendly service from them that you've come to expect from DOCFCU.

I'm excited about this merger and I look forward to welcoming the staff and members of White House CU to the DOCFCU family.

Till Next Time,
Evan Clark
PRESIDENT AND CEO
