Hi Everyone,

I hope you and your family are safe and healthy. At the Clark house our daughter continues to shower us with incredible baking. One of her latest was this brownie. It has all the components of a great brownie. Deep chocolate taste with a background sweetness. Moist on the inside with a slight crustiness on the outside. And she undercooks them just a tad so they have a fudgy texture as well. Both my wife and I have requested repeats of this yummy delight.

What's going on with you? Are you like everyone else and just a little stir crazy because of the pandemic? By the time you read this much of the economy will be reopened in some way, shape or form. That's

a really difficult proposition. On the one hand **COVID-19** is a very dangerous disease but on the other hand the economy is very weak and many people are out of work. Wherever you stand on this I hope that you are taking the precautions to stay safe. At the credit union we are preparing the branches so that we can serve you when the buildings our branches are in reopen. In the interim continue to email us at service@DOCFCU.org. Are you having financial difficulties? If so drop us a line. We have a number of programs to assist you.

We will all make it through this difficult time. And a good brownie can sure help.

Till Next Time,
Evan Clark
