NOVEMBER 2023

Hello DOCFCU Members!

On November 23, 2023, our families will celebrate Thanksgiving. Whether we are gathering with our family or friends, this time of year is a moment to reflect. It is a time to appreciate the ones who are here and remember the ones who have left us.

The first Credit Union opened its doors in 1909. The movement emerged to offer banking services to people who wanted to take part in their banking institutions. That movement is just as strong today as it was back then. Your trust and support have been the cornerstone of our success. It's members like you who inspire our staff to continuously strive for excellence in all that we do.

This Thanksgiving the staff at DOCFCU want to thank you for your support. **From all of us to all of you, we wish a Thanksgiving filled with joy, peace, and togetherness.**
